**SB 48 – Property Tax – Homeowners’ and Renters’ Property Tax Credits – Deadlines**

**STATUS: PASSED – Effective October 1, 2020.**

Clarifies that a statutory exemption to the Rule Against Perpetuities applies only to lease options that may be exercisable during the time of the lease. Options extending beyond the lease would be void. The Rule Against Perpetuities ensures that non-vested future interests

are valid only if they vest not later than twenty-one years after a life in being at the creation of the interest.

least one year. It clarifies that an applicant seeking multiple licenses must show good standing for all the licenses.

**HB 481/SB 131 – State Highways – Commercial Signs in Rights-of-Way – Penalties  
STATUS: PASSED – Effective October 1, 2020.**

Although these bills were not identical, both increased the penalties for violations of commercial signs in state right-of-ways. SB 131 was passed and keeps the current fine at \$25 but increases the fine to \$100 if the commercial sign is affixed to a state sign, signal or marker. HB 481 would have increased all fines to a maximum of \$1,000 but did not pass.

**HB 929 – State Real Estate Commission – Property Managers – Registration  
STATUS: NOT PASSED**

Requires many property managers to register with the Maryland Real Estate Commission and carry at least \$100,000 surety bond to conduct real property management services. **HB 1006 – Real Estate Brokers – Exemption for Auctioneers – Repeal  
STATUS: NOT PASSED**

Removes the exemption for auctioneers from the real estate licensing act, thereby requiring auctioneers to obtain a real estate license. Because the exemption from the real estate licensing law only applies to licensed auctioneers and few local governments license auctioneers, many auctioneers already hold a real estate license. There will be an “interim study” of the issue before next session.

**HB 1077 – Real Property – Deletion of Unlawful Ownership Restrictions – Exemption from Fees and Surcharges  
STATUS: PASSED – Effective October 1, 2020.**

**STATUS: PASSED – Effective October 1, 2020.**

Authorizes a notice of easement, covenants or other property restriction to be recorded in the land records. Because title searches do not examine the entire title of a property, there are times when easements and other property restrictions are missed. By allowing a notice to be recorded closer to sale, the property restriction is more likely to be discovered by a title search. The bill is not mandatory but allows parties who wish to enforce their rights to record the notice.

**SB 636 – Maryland Revised Uniform Law on Notarial Acts – Requirements for Appointment as a Notary Public – Alterations**

**STATUS: PASSED – Effective October 1, 2020.**

The bill delays sections of the Notary law passed year which adds new education requirements and testing for notaries. The bill would have also delayed the provisions of the law permitting remote notarization, but those provisions were amended so that remote notarization could take effect this Fall. Due to the COVID-19 Pandemic, the Governor issued an emergency order making the remote notary provisions in the law effective as of March 30<sup>th</sup>, 2020. If this emergency order is rescinded before October 1, 2020 and without further direction on this matter, remote notarizations will be suspended until the October 1, 2020 effective date.

**COMMON OWNERSHIP COMMUNITIES**

**HB 25/SB 293 – Condominiums and Homeowners Associations – Amendments to Declarations and Governing Documents**

**STATUS: PASSED – Effective October 1, 2020.**

Changes the notice requirements of Common Ownership Communities (CoCs) to lenders. Sometimes governing documents require the notice and approval of lenders to make changes. This legislation still requires CoCs to give notice but if the lender does not object within 60 days, it is assumed that the lender granted consent. The bill does not apply to amendments altering the priority of the lien or materially impairing the unit as collateral. The bill would also not impair the rights of the holder under the mortgage or deed of trust. In these three instances, the lender must still give express consent.

**HB 108/SB 175 – Condominiums – Responsibility for Property Insurance Deductibles  
STATUS: PASSED – Effective October 1, 2020.**

Makes changes to the current law regarding insurance coverage of condominium common areas. The bill also clarified that if the damage results from an owner's unit, the owner is responsible for paying the Condominium association's deductible up to \$10,000. That amount can be insured in the owner's policy and was increased from \$5,000.

**HB 744 – Landlord and Tenant – Residential Leases – Tenant Rights and Protections (Tenant Protection Act)**

**STATUS: NOT PASSED**
