

BUILDING CONNECTIONS THROUGH BENEFITS!

GBBR is your resource for constructing your business and maintaining success!

NO-COST CE

Members can take no-cost CE every month, with more than 25 courses to choose from throughout the year! And there's back-to-back CE offerings during Member Appreciation Week, and at the REALTOR® Fair, to get a bunch of hours in a speedy, concentrated fashion!

ADVOCACY

GBBR's legislative team works all year long to review, identify and either support legislation that helps our members' ability to do business, or, squash regulations that deter a healthy real estate market. We help preserve private property rights by working cooperatively with elected officials at the city, county and state levels!

SUPPORT

GBBR's FREE Legislative/Legal Hotline is available to members by phone or email, with unlimited calls for this service! Additionally, we have FREE SentiLock support, mediation and arbitration services... and a full-service staff that is knowledgeable, professional, and committed to providing GBBR members with the best possible experience.

CREDENTIALS

GBBR works in neighborhoods across the metropolitan region to promote the professionalism of our members and highlight the valuable services and specialized knowledge that REALTORS® and our Affiliate members bring to a real estate transaction. Additionally, Members of GBBR agree to abide by the NAR Code of Conduct and execute real estate transactions with a high standard of practice, building trust in our community.

NETWORKING

Whether it's through our popular networking events at fun venues across the county, or during professional development offerings, or at our engaging special events, GBBR gives you ample channels to cultivate relationships with colleagues and affiliate members -- a vital component of successful real estate business!

PARTICIPATION

GBBR maintains a dozen or more committees each year, that help govern and guide the innovations of member service and the future of our organization. GBBR Members are encouraged to actively engage in our association through these committees, and share their ideas and experience to help continue GBBR's legacy with pride!
