

HARVEST FOR HOPE

LENDING SUPPORT IN
OUR LOCAL COMMUNITY

FOOD DRIVE!

for Families in Need

Dear Brokers, Managers, and Team Leaders,

We are excited to announce our participation in the *Harvest of Hope* food drive through this holiday season and beyond! We are asking each branch office to **collect non-perishable** food items to benefit a local community shelter and help ensure that families in need have a warm meal this season.

HOW CAN YOUR OFFICE PARTICIPATE?

- Set up a collection box in a visible, high-traffic area of your branch office.
- Encourage staff, agents, and clients to contribute non-perishable foods such as:
- Canned tuna, chicken, hearty soups, stews, beans, and chili
- Nut butter (including peanut butter)
- Canned fruits, vegetables, and sauces (preferably with pop-top lids)
- Rice, pasta, oatmeal, cereal, granola bars, and snack bars
- Boxed and shelf-stable milks (dairy and non-dairy alternatives)
- Dried fruit, trail mix, or nuts.

IMPORTANT DETAILS

Deadline: We ask that you please close your collection by **January 7, 2026**, to coordinate a drop to the Leonard E. Hicks Community Center, our partner for this effort, in time for a timely distribution.

Pick-Up or Drop-Off: If you need help with donation transport, let us know 48 hours in advance of January 7th or, plan to deliver directly to the Leonard E. Hicks Community Center by January 9th. Distribution of collected goods will be distributed to the community on Saturday, January 10, 2026.

Spread the Word: Display flyers, post reminders, and let your local community know we are collecting!

Your leadership and generosity will truly “Influence Change.” Every can, box, and dollar helps ensure no family goes without during the holiday season and beyond.

Let’s support and share the vision of your GBBR President Tiffany Harris, showing the strength of our REALTOR® Community and the reach of GBBR by supporting our Greater Baltimore families.

Thank you for helping make this year’s *Harvest for Hope* a success!

Sincerely,

Tiffany Harris
2026 GBBR President
